

ROUSSEAU TOOLBOXES

**MADE IN
CANADA**

WHY ROUSSEAU

Unmatched in quality, durability, and innovation, Rousseau toolboxes deliver superior strength and customization with industry leading lifetime return on investment.

Designed and manufactured 100% in Canada, these toolboxes are built for professionals who demand more. Fully adjustable and modular, they adapt effortlessly to changing needs with the ability to move drawers, reconfigure layouts, and expand storage with ease.

Engineered to perform, and built to last, Rousseau is the professionals choice and is trusted in hundreds of service centers across North America.

DISTINCTIVE FEATURES

- Heavy-duty construction with 400 lb. load capacity per drawer
- Includes welded reinforcements to provide rigidity and sturdiness to the housing
- Stylish, distinctive and timeless design
- Lifetime warranty on the drawer sliding system
- Choose from 20 colors to match your image
- 100% made in Canada
